

# STUDENT TRAVELS UKRAINE

...a Student-Based Travel Agency

## CONFERENCE LIST

FEBRUARY - May 2020

## Disclaimer

---

The listing of a conference on STUDENT TRAVELS UKRAINE does not necessarily mean that we are the organizers or in any formal agreement with the organizers.

Rather, these are carefully selected conferences that we recommend to benefit medical students, dentists, pharmacists, residents/fellows, Masters/PhD students in any Biomedical/Bioengineering field, and other medical professionals and enthusiasts.

Thus, we work with the organizers to get you registered and give you information about the conferences and sometimes, discounts.

## Why Attend an International Conference?

Meet with Professionals in various biomedical fields. Connect with other medical students and colleagues from other universities as you learn from various International biomedical communities

Stay ahead of your colleagues in school. Learn about new advances in medical technology and development to keep you up-to-date with current techniques in diagnosis and treatment

Abstracts and Speaker opportunities are available on select conferences, enabling you to present and discuss your research with other researchers... and exchange contact for future projects

Awards available to young researchers

Select Conferences are  
**\*\*CME or CPD Accredited**

**\*\*CME and CPD** are accreditations given by organizations such as **ACCME, EACCME (CME), and CPD Accreditation services**, to organizations/institutions offering professional/educational events (such as conferences, workshops, etc.) to make sure that it is standard and producing effective education that supports health care professionals' commitment to lifelong learning and practice improvement.

## So... Let's Begin!

---

Please read the instructions below on how to search for and register for an International Medical conference via **Student Travels Ukraine**.

For ease of search, all conference have been sorted into these categories:

### STUDENT MEDICAL CONFERENCES:

- Targeted at medical students, stomatology and pharmacy students, and student/young biomedical researchers.  
*(See Page 6)*

### SPECIAL EVENTS / TRAINING / SUMMER SCHOOLS:

- These are not necessarily “special”. We listed them because they are organized by reputable organizations and/or are very informative. These includes medical summer school, full workshops, medical practical (hands-on) skill training, organization CMEs, etc. Some of these conferences may also focus on medical ethics, policies, healthcare administration in general, etc. These conferences are usually quite expensive or have very limited space.  
*(See Page 10)*

### PROFESSIONAL MEDICAL CONFERENCES:

These conferences are open to all, but are more targeted at

- Medical Interns & Residents,
- Specialized Doctors,
- Pharmacist, Dentists,
- Professional researchers,
- M.Sc./PhD Students, and
- Other professional enthusiast.

*(See Page 13)*

They are further sorted into the different medical disciplines/field.

*Some of these conferences are CME and/or CPD accredited. Please contact us to verify if your selected conference is CME accredited.*

Scroll down until you find the category of conference you are interested in, select a conference you will like to attend taking note of the **CONFERENCE CODE (SL xxx)** at the left part of the table.

**Please make sure you select conferences about 1 month from current date.**

---

*>>> If you do not find any conference that fits your time/schedule, please contact us with your preferred time and schedule and we would search for a suitable conference for you.*
